★ DUKE OF EARL

EARL EDWARDS EUGENE DIXON
BERNICE WILLIAMS
As I walk thru this world
Nothing can stop the Duke of Earl
And you are my girl
And no one can hurt you,
Yes, I'm gonna love you
Let me hold you
'Cause I'm the Duke of Earl
When I hold you
You will be the Duchess of Earl
When I walk thru my Dukedom
The paradise we will share.

★ CRYING IN THE RAIN

HOWARD GREENFIELD CAROLE KING
I'll never let you see
The way my broken heart is hurtin' me
I've got my pride and I know how
to hide
All my sorrow and pain
I'll do my crying in the rain
If I wait for cloudy skies
You won't know the rain from the
tears in my eyes
You'll never know that I still love
you so
Though the heartaches remain
I'll do my crying in the rain
Raindrops fallin' from heaven
Could never wash away my misery
But since we're not together
I look for stormy weather
To hide the tears I hope you'll never
see
Someday when my cryin's done
I'm gonna wear a smile and walk in
the sun
I may be a fool, but till then, darling
You'll never see me complain
I'll do my crying in the rain.

★ THE GREATEST HURT

BILLY MYLES
Oh, he greatest hurt the heart will
ever know
Is when the one you love says she can't
love you anymore
The pain that you feel is too much to
conceal
As she slowly turns and walks towards
the door
Yes, the saddest words to ever reach
the heart
Are those cold final words just before
teardrops start
You wonder, yes, you do, what's left
in life for you to do
When the pain begins to burn in your
heart
Then somewhere deep down inside you
You search to defend your pride
But all that you find deep down inside
you
Is reflected by the tears that fill your
eyes
You want to speak, but words don't
seem to flow
You want to call her name
"Baby, baby, please don't go"
But then without a song she bids that
last goodbye
Then she turns away and walks out that
door
The greatest hurt, the greatest hurt
The greatest hurt the heart has ever,
ever, ever known.

★ THERE'LL BE NO
NEXT TIME

ALONZO TUCKER BOBBY ADAMS
I know you think I'm foolish
But somewhere down the line
I'll meet someone
Who wants a true love
And, darling, there'll be no next time
You made all kinds of promises
What made you change your mind
Someday you're goin' to miss me
But, darling, there'll be no next time
Oh, so many times I've given in
Hoping you'd change your ways
But as soon as you gained my
confidence
I don't, don't see you for sometime
And I did my best, oh, my very best
To make our two hearts fine
So, darling, it's now or never
There'll never be, there'll never be a
next time
No, no, never, never, never be a next
time.

★ TALKIN' ABOUT YOU

GERRY GOFFIN CAROLE KING
My friends are getting pretty tired
of me
'Cause I just talk the whole day thru
Day after day I say the same old
things
I can't stop talkin' 'bout you, talkin'
'bout you
Yeah, you with your beautiful eyes
Yeah, you, you wonderful prize
Yeah, you with your sweet, sweet
sighs
Can't stop talkin' 'bout you
Baby, now each time I tell them
Just how good you are
They laugh and say it isn't true
Well, let me tell you, baby
I care, care
I'll keep on talkin' till they do
Mmm, baby, honey now.

★ THE THORN ON
THE ROSE

JACK KELLER LARRY KOLBER
There's a rose that grows in my
garden
A rose that reminds me of her lips
(so much)
Yes, it's pretty and pink
And I cry when I think
I can look but I can't touch
No, I can't pick the rose
'Cause a thorn's in the way
A thorn that will hurt me and make
me cry
I can see that she loves another
Yet, deep in my heart my love for her
(still grows)
But he stands in my way ev'ry night
Ev'ry day just like the thorn on
the rose.

★ NORMAN

JOHN D. LOUDERMILK
Jimmy called me on the phone
But I was gone not at home
'Cause I was out parked all alone
With darlin' Norman

Norman holds me close to him
Norman kisses me, and then
Norman knows my heart belongs to
him,

And him, and only him, oh,
Norman oooo Norman, oooo
Norman, Norman my love

Bill invited me to a show
But I said "no, cannot go
There's a dress that I've got to sew
And wear for Norman"

Norman is my only love
Norman's all I'm thinking of
Norman gives me all his lovin', kissin',
huggin', lovey dovin'
Norman oooo Norman, oooo
Norman, Norman my love

Joey asked me for a date
He wanted to take me out to skate
But I told Joey he would have to make
Arrangements with Norman

★ BREAK IT TO ME GENTLY

DIANE LAMPERT JOE SENECA
Break it to me gently
Let me down the easy way
Make me feel that you still love me
As it's just, as it's just for one more
day
Break it to me gently
So my tears, my tears won't fall too
fast
If you must go, then go slowly
Let me love you till the last
The love we shared for, oh, so long
Is such a big part of me
If you must take your love away
Take it gradually
Break it, break it to me gently
Give me time oh, give me a little time
To erase the pain
Love me just a little longer
'Cause I'll never, never love again
'Cause I'll never love again.

★ A LITTLE BITTY TEAR

HANK COCHRAN
When you said you were leaving
tomorrow
That today was our last day
I said there'd be no sorrow
That I'd laugh when you walked away
But a little bitty tear let me down
Spoiled my act as a clown
I had it made up not to make a frown
Oh, but a little bitty tear let me down.

I said I'd laugh when you left me
Pull a funny as you went out the door
That I'd have another one a-waiting
To wave goodbye as you go.

Ev'rything went like I planned it
And I really put on quite a show
And I thought I was gonna stand it
But when you got to the door
Then a little bitty tear let me down.

"MR. RING- A- DING- DING!"

"Pocketful Of Miracles" is his latest chart item; he's never been more successful; he's just about the most imitated singer ever! We're talking about Frank Sinatra, a guy who just wouldn't quit after the chips were down! Here's the story of how the guy they call "The Leader" and "Mr. Ring-a-ding-ding" has made it again so big that there just isn't any other star whose story can compare!

In the '40's, most of you will remember that Sinatra was just about what Elvis was three years ago: the biggest singer in show-business. They tore at his clothes, waited for hours to see him perform; girls swooned in the aisles; the whole bit! Then, unaccountably, Frank Sinatra's popularity died. It certainly wasn't his high level of performance slipping; it was just another example of how fickle the public can be.

In the early fifties, Frank read the movie script of "From Here To Eternity" and hurriedly called Hollywood. He won the part he sought after go-

ing to the extreme of offering to pay them for the opportunity to play the ill-starred Pvt. Maggio in that great film. (Frank had done previous films; mostly of the musical variety). He was so good in this film, playing with such great actors as Montgomery Clift, that he won an Academy Award for it! And that was the beginning.

Today, Frank is possibly one of the most controversial (and in demand) singer-actor-producer personalities in show-business. He has even started his own record company, REPRISE Records, after a long association with CAPITOL Records. Frank has many great albums out, and his choice of material, we needn't remind you, is always excellent. (He made many of the tunes he does popular originally, anyway!) So we at HIT PARADER salute "the thinking man's singer", "Mr. Ring-A-Ding" himself, Frank Sinatra! (Editors Note: As we went to press, we received the great news of Frank's upcoming marriage to his star protegee, Juliet Prowse!)

ON THE TOWN With

PHOTOS BY BROOKS EDLER

HIT PARADER JOINS THREE CUTE GALS

One doesn't have to be superstitious to believe "good things come in three's". Especially after seeing or hearing the three Paris Sisters. On this happy note, we recently took a trip to New York to keep an appointment with the girls. Our ace New York photog, Brooks Edler, was on the scene shooting the flicks, as you can see here, and we had a ball!

The three girls, Albeth, Sherrell and Priscilla, are the first girls group to really make it since the McGuires arrived on the scene, and that was a few years ago. Actually, The Paris Sisters have been "taking care of (show) business" interests in a big way since 1954, when they met their idols, The Andrews Sisters. They met them backstage at the Warfield Theater in San Francisco, and much to their surprise were called up on the stage from the audience during the next performance to perform. Needless to say, the audience

loved the three young gals with the harmony and good looks to boot, and the next day saw the girls swamped with offers from agents, etc.

Up until that time, the girls hadn't done much in the way of professional singing around their hometown of San Francisco; but, after their introduction, they found themselves in demand throughout the country! The amazing thing is that the girls (see photo above) studied dancing extensively as children before deciding on the vocal thing in show-biz. It sounds a bit trite, but the Paris Sisters do come from a show-biz family! Their mother was known as Frances Rossi, having sung in opera. The girls used to rehearse routines with their mother accompanying them on the piano. These girls were undergoing the training at sixteen that most show-biz people don't catch until much later. And it shows in the

The PARIS SISTERS

ON A WHIRLWIND DAY OF FUN AND WORK!

variety of their act and display of versatility by the talented trio. Among other things, they sing, play instruments, piano and guitar; dance tap, ballet and modern "interp", and above all, present their collective talents in a manner which would do credit to veteran troupers.

The girls told us that they signed with Lester Sill's GREG-MARK Records, but we already knew about their hit sides, "Be My Boy", "I Love How You Love Me", and "He Knows I Love Him Too Much" (which is also an album, by the bye). They recently shot a flick with Chubby Checker and the fantastic English thrush, Helen Shapiro, called "It's Trad, Dad," which has (we think) something to do with the English traditional jazz craze. Correct us if we're wrong, cats!

In perusing the photos above, did you, dear reader, notice a cat with a beard?? Well, that's Phil Spector, who arranges all of The Paris Sister's recording dates. The restaurant pix

were taken at The Continental Room of the Hotel St. Moritz in New York City, where we talked and had a great lunch together. Some of the interesting things we learned:

The girls have, besides dance and voice, studied drama extensively with the well known coach, Phyllis Cyr. They've appeared on such TV shows as Jack Paar, Dinah Shore and Arthur Godfrey and they have several new things in the works. Such as a TV show of their own, more motion pictures, and other little things like that. Such things are casually mentioned, but dear reader, believe us when we say that The Paris Sisters couldn't have attained all of this without long years of hard work and the devotion and dedication of true show folk.

The girls, for professional reasons, dress alike on and off-

★ DEAR IVAN

JIMMY DEAN

His truth is marching on
To Ivan Kavanovitch, U.S.S.R.

Dear Ivan:

You don't know me, and I don't know you

But I sure would like to meet you
Yes, sir, I'd like to walk up and shake your hand

And look you straight in the eye
And tell you that I haven't got one thing against you

I know that the heads of our governments

Seem to have problems getting together to talk things over

But I've got a feeling
That if you and I should just sit down and talk

Not as representatives of anybody's government

But just two plain ordinary human beings

I feel that we might think a great deal alike

I'm an entertainer now, Ivan
I used to be a farmer just like you
I've got a wife and three kids

This may sound a little unpatriotic
But to me these are more important
Than heads of anybody's government
A few years back you and I both left the farm

To put on a uniform
We were both on the same side of the fence

You and me, Ivan
And you know I can't help but believe
That we're still on the same side of the fence

That we both would like to see a world united in peace

I tell you something, Ivan
I love my land very much
Aw! We've got some of the prettiest mountains

And trees and rivers and valleys
That you've ever laid eyes on
And I'm sure you feel the same way about your country

And I know that neither one of us would like to see

The face of our countries blackened by that hot breath of anybody's bomb

You know they tell me over there
You don't believe in a God
But though I've never met you

I can't help but believe
That a man who's stood on a crisp, fall morning

And watched the sun rise over his farmland

Or has planted a small grain of corn
Seen it grow out of the fertile soil
Or better than that, Ivan, held your own baby in your arms

I know that there's a God up there
Watching over each and ev'ryone of us

Ivan, when I put my babies to bed tonight

I'm gonna say a prayer for you and yours

And if you in your own way
Will say a prayer for me and mine
And maybe we can talk our neighbors into doing the same thing

This will be more powerful than any conference

Held over any conference table
anywhere in the whole wide world

And then maybe we can live as God intended

Peacefully together

Yours Truly, Jimmy Dean, U.S.A.

MACK DAVID BURT F. BACHARACH
BARNEY WILLIAMS

(Sha la la la la)

It's not the way you smile that touched my heart

(Sha la la la la)

It's not the way you kiss that tears me apart

Oh, many, many nights roll by
I sit alone at home and cry over you

What can I do? I can't stop myself
'Cause, baby, it's you, baby, it's you

(Sha la la la la)

You should hear what they say about you

(Sha la la la la)

They say, they say you've never, never, never been true

Well, it doesn't matter what they say
I know I'm gonna love you any old way

What can I do when it's true

I don't want nobody, nobody

'Cause, baby, it's you, baby, it's you.

★ REVENGE

BROOK BENTON OLIVER HALL

MARNIE EWALD

You keep looking at me

While you dance in some others' arms

And you pretend to be

So enchanted with all his charms

Revenge, revenge is that all you want?

Well, you've had your revenge

Now, come back to my arms.

You keep telling your friends
Only heartaches I gave to you

And you hope in the end

That my heart will be crying too

Revenge, revenge is that all you want?

Well, you've had your revenge

Now, come back to my arms.

Maybe you want me to get down on my knees to you

Well, I'll do it gladly, darling

If that's what pleases you

Only tell me tonight

You'll give our love a brand new start

You have had your delight

With just tearing my heart apart

Revenge, revenge is that all you want?

Well, you've had your revenge

Now, come back to my arms.

★ YOU BETTER BELIEVE IT

GREENFIELD

SEDAKA

My heart is achin'

Because you said I've been makin'

Googoo eyes at all of the girls in town

Well, I love you honey

And I don't think it's funny

When you say I've been runnin' around

Your heart is hurtin'

'Cause you think I've been flirtin'

Well, I just don't feature

What you're puttin' down

Hey, hey, believe what I say

I'm savin' all my love for you

Bing bang, you better believe it

Ding dong, you better believe it

Uh, uh, you better believe it

Your lovin' baby's been true blue

Well, my tears have been fallin'

And you've been callin' me

The meanest things I've ever done

heard

You've called me a devil

But I've been on the level

And your accusations are simply absurd

I ain't been a-wingin'

So just stop what you've been thinkin'

If you really love me, you'll take

my word.

MORT SHUMAN

Raindrops keep a-fallin'
Tricklin' down my window pane
As I sit here hopin'
That you'll come back home again
Since you're gone, I can't go on
I know my heart will surely break
Here am I, lonely
prayer

Left here with only a tear and a
prayer

Was I too young
Was I just a little careless
I took your love
And I gave you bitter tears
I bought a dozen roses
One for ev'ry time you cried
Now, just like our love, dear
All the pretty roses died
All this rain and all this pain
Is just much more than I can take
Here am I, lonely

Left home with only a tear and a
prayer

Ev'ryone keeps talkin'
If you've really gone away
My pride won't let me answer
Really don't know what to say
I made you cry, you said goodbye, oh
Where did I make my mistake?

From one little kiss and a lotta
lovin'

You build a big mansion of love
On a hill of happiness
With someone that you've been
dreaming of

You build a wall all around with a
lot of lovin'

All around your mansion of love
Then one day you hear a strange
little sound

Trying to tear your mansion down.

Oh, chip, chip, you tell a little lie
Chip, chip, you make your baby cry
Chip, chip, you cheat a little bit
Chip, chip, you quarrel over it
One day you discover
One little wrong leads to another
Chip, chip, chipping away
Chipping at your mansion of love
One little spark when it starts
a-glowing

Can warm a big mansion of love
One little wrong brings on the gloom
Put a chill in ev'ry room.

Who will ever try to put me down
When I'm walking, walkin' with my

'Cause ev'ry guy I see
Is-a wishin' that he were me
When I'm walkin', walkin' with my

When we're strollin' hand in hand
I'm as happy as can be

THE LETTERMEN

HAVE MADE
THE GRADE!

A one-time missionary, a Croatian, and a football player make up CAPITOL RECORDS' hot new vocal group, The Lettermen. Their diverse backgrounds may make them seem like an incompatible mixture, but their ear-caressing vocal blend makes them sound like fate brought them together.

The Lettermen's unique combination of silky-smooth melody and rhythmic invention has resulted in their fast-moving new hit, "The Way You Look Tonight." The follow-up side to this first CAPITOL disk, "When I Fall In Love," is also coming in for some of the spotlight, second in what we at HIT PARADER foresee as a long line of hits. The Lettermen first drew attention in 1960 with their WARNER BROTHERS side, "Their Hearts Were Full of Spring."

Robert Engemann was a missionary for two years and is now an elder in the Mormon Church, though he is just 26. Tony Butalo, a veteran night club and studio singer, proudly points out that he is one of the few full-blood Croats in the world. (Croatia, he will tell you, is a small country in Eu-

rope, now a part of Yugoslavia.) Jim Jike is the one genuine letterman in the group: he excelled in football at Idaho Falls High School.

Together the boys have appeared on the Wink Martindale Show in Los Angeles and the Dick Stewart Show in San Francisco. Others are in the offing. Individually, before organizing themselves into a successful trio, Tony had been a member of other groups dating back to the famed Mitchell Boys Choir; Robert had appeared with Lawrence Welk; and Jim had appeared in the Louis Prima-Keely Smith show at Hollywood's Moulin Rouge. Bob and Jim met at Brigham Young University in Utah where they sang with groups appearing locally.

Tony, whose hobby is song writing, was born in Sharon, Penn., Nov. 20, 1940; Jim, who admires the Four Freshmen, also CAPITOL artists, is originally from St. Louis, Mo., where he was born Nov. 6, 1936; and Robert is a native of Highland Park, Mich., born Feb. 19, 1936. Engemann is the only married member of the trio.

We'd like to play the opening bars to you this time around in a swingin' vein! We were daydreaming and came up with something out of this world, man! Like, what kind of a scene would this be? A swingin' session with such cats as Si Zentner and his band, "The Chairman Of The Board", Frank Sinatra doing the vocals, that hip group of chicks, The Paris Sisters, backing him up with a little scat in the right places, and those fabulous Lettermen doing some cra-a-zy things in the background, with weird chord changes and like that. What a ball that would be!

But we're only daydreaming and we've got a book to put together for just you, and our dreams have to be put aside for the work ahead. Let's see, we want a nice feature on some of

THE PARIS SISTERS

your favorites of the last few months, and why they have a chance to become the tops! We'll not divulge who they are here, but if you'll dig pages 18 thru 20, you'll be hip to what we're puttin' down!

In various and sundry spots around the magazine, we'll feature the fabulous Miss Brenda Lee, some pix of Don and Phil Everly going into the Marines, some news pix of Miss Connie Stevens, the top singer up Canada way, Tommy Ambrose, Burl Ives, that story-teller-songster "extraordinaire", and a cat we know you'll be hearing more about: "The one they call — Anthony Hall!"

Wow! Like if only that swingin' session were ever to take place — what a groove! See y'all next month!

Just, just like this
(Round and around)
Come on, little miss, and do the twist
(Round and around).
While Daddy is sleeping and Mama

While Daddy is sleeping and Mama ain't

We're gonna twisty, twisty, twisty

★ SUSIE FORGIVE ME

BARRY MANN CYNTHIA WEILL

Johnny loved Sue with all his mite
He took her driving one fateful night
But he was driving too recklessly
And somehow he crashed, his car hit
a tree
Johnny woke up and felt O.K.
But Sue couldn't move her legs that
day
She'll need an expensive operation they
said

When Johnny heard this, he cried at
her bed
Oh, Susie forgive me, please Susie
forgive me

I'll get that money and then
You're gonna walk again
Johnny never did any wrong before
Until he came to that candy store
He didn't want to steal, I know
But there was Sue and he loved her so
He took the money and then he ran
To Susie's house with it clutched in
his hand

Sue heard a policeman's shot ring out
And then she heard Johnny shout
Oh, Susie forgive me, please Susie
forgive me

I know I did wrong, but then
You gotta walk again
Sue heard his shout and ran to the
door

Forgetting that she could walk no more
She ran out into the street
And Johnny cried, diving at her feet
Oh, Susie forgive me, please Susie
forgive me

Although I know it's the end
Now, you're walking again.

★ SMALL SAD SAM

EDDIE V. DEANE SUNNY SKYLAR

Small Sad Sam, Small Sad Sam
Here's the tale of a man who was puny
and weak

Stood four feet six in his stocking feet
Kinda narrow at the shoulder and
heavy in the waist
Ev'rything about him seemed to be
misplaced

Small Sam, Sad Sam, Small Sad Sam
He slid into town one rainy night
Running like a dog away from a fight
He had a pretty big mouth for a guy
his size

And ev'rything he said was a pack of
lies

Small Sam, Small Sad Sam
One day he got on a down-town bus
First thing you know there was an
awful fuss

They threw Sam off and into the street
For tryin' to steal an old lady's seat
Small Sam, Sad Sam, Small Sad Sam
One day nobody knows what for
An elevator stuck on the eighty-fifth
floor

Some cables broke and so it's said
That car just hung there by a thread
Small Sam, Small Sad Sam

The women were calm, the men were
mild

But Sam screamed and cried like a
little child

He squeezed himself out thru the
emergency door

And pulled himself up to the eighty-
sixth floor

Chicken Sam, that chicken Sam
Instead of helping the others get free
Sam said, "I'm lookin' out for me"
The cable snapped and all the way down
They cursed Sam till they hit the groun'
Now, someday Sam's gonna get his due
And when he does I'll make a bet

with you
There ain't nobody even gonna pass the
hat

'Cause Sam was nothin' but a no good
cat

Small Sad Sam, yes, Small Sam

Small Sad Sam, chicken Sam

Small Sad Sam, no good Sam

Small Sad Sam, Small Sad Sam.

★ UNCHAIN MY HEART

AGNES JONES FREDDY JAMES

Unchain my heart

Baby, let me be

Unchain my heart

'Cause you don't care about me

You've got me sewed up like a pillow
case

But you're lettin' my love go to waste

So unchain my heart

Oh, please, please set me free.

Unchain my heart, baby, let me go

Unchain my heart

'Cause you don't love me no mo'

Everytime I call you on the phone

A fella tells me that you're not at
home

So unchain my heart

Oh, please, please set me free.

I'm under your spell

Like a man in a trance

But I know darn well

That I don't stand a chance.

So, unchain my heart, let me go my
way

Unchain my heart, before you drive me
insane

Why lead me thru a life of misery

When you don't care a bag of beans
for me

Unchain my heart,

Oh, please, please set me free.

 Where can you be
 Go on home

★ LUCKY IN LOVE WITH YOU

HOWARD GREENFIELD JACK KELLER

I walk under ladders thirteen times a
 day
 When I see a black cat I never run the
 other way
 Threw away my four leaf clover and
 my lucky charms
 My bad luck days are over
 Now that you are in my arms
 Because I'm lucky, lucky in love with

 Lucky, lucky 'cause you love me, too
 Lucky, lucky whatever I do
 I'm lucky in love with you
 If I broke a mirror
 I wouldn't be upset
 I laugh at the devil ev'ry chance I get

 Just as long as we're together
 Ev'rything is gonna be alright.

★ GUESSIN' AGAIN

HARLAN HOWARD

You've got me guessin' again
 Your kisses don't fell the same
 If I'm the one to blame
 What was my sin?
 Just yesterday you were mine
 Your kiss was warm as the wine
 But now I 'wake and I find
 I'm guessin' again
 Your lips so warm and then so cold
 Your arms are distant then so bold
 And my love increases
 Just yesterday our love was grand
 Now, I'm no longer in demand
 I'm going to pieces
 You've got me guessin' again
 You seem to be sincere
 Our future seems so clear
 Now, I'm guessin' again.

STAR OF

THE YEAR

Brenda Lee, Decca's special version of the brightest jewel coming in the smallest package, has been breaking records almost since the day she was born, which was exactly 3:24 P.M. on December 11, 1944, in Atlanta's Emory University Hospital.

The second oldest of four children, she is 4'11" tall, has brown eyes and an appealing naturalness unchanged despite star status.

This amazing young lady started on the road to stardom in March of 1956, with her first network television appearance, and overwhelmed the audience with her spirited vocalizing. DECCA signed her to a long term contract on May 21, 1956, and her first recording of "Jambalaya" was an immediate national best-seller. She went on to make a string of consistent best-sellers, among which were "One Step At A Time", "Bill Bailey", and "Some Of These Days". Then early in 1960

Brenda recorded a song entitled "Sweet Nothin's", that quickly added one more to her already long list of hits. In the fight business they would say that Brenda always delivers "a fast one-two", for she followed "Sweet Nothin's" with a two-sided smash, "I'm Sorry" b/w "That's All You Gotta Do". In July of 1960, Milton Rackmil, President of DECCA Records presented Brenda with her first gold record for topping the million mark in sales on "I'm Sorry"

The secret of Brenda's success can be told—yet it must remain her own secret. She possesses that certain vitality and pure joy in her voice that heightens her abilities beyond just being a wonderful singer: she is an artist in the true sense with something extra that is all her own.

Brenda has enjoyed appearances on the Steve Allen and Perry Como network TV shows, and was booked solid-

ly for months on end (when her school schedule permitted) when she was little more than a toddler. During that time she maintained an 'A' average in her studies, was a cheerleader, and member of the National Debating Society. Since her first European tour, and with a steadily increasing schedule of commitments (most recently the Danny Thomas and Perry Como TV'ers), Brenda's family has engaged a tutor to travel with her. Word has is that, despite her busy schedule, she is still an "A" student.

In Paris, where Brenda was appearing at the number one Music Hall in all of France, the Olympia, her opening was covered by all the top newspapers, and Le Figaro had this to say: "Not since Judy Garland has this city seen an opening night like that of the dynamic young American artist, Miss Brenda Lee". In Brazil, Brenda's impact was so strong that mob scenes

prevailed wherever she appeared, and she and her party had to be constantly attended by a national police guard. She was trapped for several hours in a hotel in Santos, Chile, waiting for the Governor to send mounted troops to clear the way. The President of Brazil called her "The Best Goodwill Ambassador that America ever had".

Brenda herself is full of the same life and vitality that has made her voice carry across the oceans and into the entertainment palaces of the world. In '61, Brenda out-sold all other female artists on both LP's and singles, and the day hasn't come when she hasn't had a hit on the charts. The latest 2-sided smash (a habit with Brenda; remember "Dum-Dum" and "Eventually"?) is called "Break It To Me Gently" backed with "So Deep". Yes, 1961 was Brenda Lee's big year, and what else can possibly happen except her exceeding that effort in the new year?

The TOMMY AMBROSE Story

Tommy Ambrose at twenty-two is one of the youngest entertainers in North America to have a network TV show named after him, and has recently signed with Music Corporation of America, New York, one of the world's largest talent agencies. He's hoping to appear on some guest shows on American television in the next few months.

His CBC-TV program, "The Tommy Ambrose Show," is a half-hour production of light music and song with The Gordon Kushner Singers, choreographer Glenn Gibson, and an orchestra under the direction of Lucio Agostini. Each week Tommy welcomes a guest from either the United States or Canada. The show is seen Fridays at 9 p.m. EST on the CBC-TV network.

Tommy hadn't any ambition to become a pop singer, until he was 17. "My upbringing had directed me more towards Bible college. I wanted to be a song evangelist." It was in the summer of 1957 that he turned his attention to popular singing.

The young crooner credits most of his success to TV personality Charles Templeton, who "actually started me singing."

"I was only five when Charles, then director of Youth for Christ, put me on stage at Maple Leaf Gardens in Toronto to sing spiritual and gospel songs to my own guitar accompaniment," said Tommy. "I wasn't scared, just embarrassed, because of the man-sized guitar — which almost hid me from view."

Between the ages of 8 and 12, Tommy sang regularly with his brothers on "Songs From Heaven's Airway" on Toronto radio station CKEY. After that he sang with a quartet on CFRB for three years.

Following intensive study of visual style and repertoire,

he decided he would like to audition for "Cross-Canada Hit Parade." "I made several guest appearances, and I realized that this was my kind of career."

Soon after, Tommy cut some Rock 'n' Roll records. He went on a tour to promote sales, got a little more experience, and started his own group, playing night clubs for 13 months.

He signed his first recording contract with a Canadian company in 1958. At that time, he released four songs, "Remember, Remember," "Tu Sie Mia Amore," "The End Of The World" (his own composition); and "The Magic Of You."

Since then, Tommy has made several more single recordings and during the summer of 1961 he released his first long-play album on a Canadian label. Titled "Young Tommy Ambrose," the album features standard and pop-type tunes.

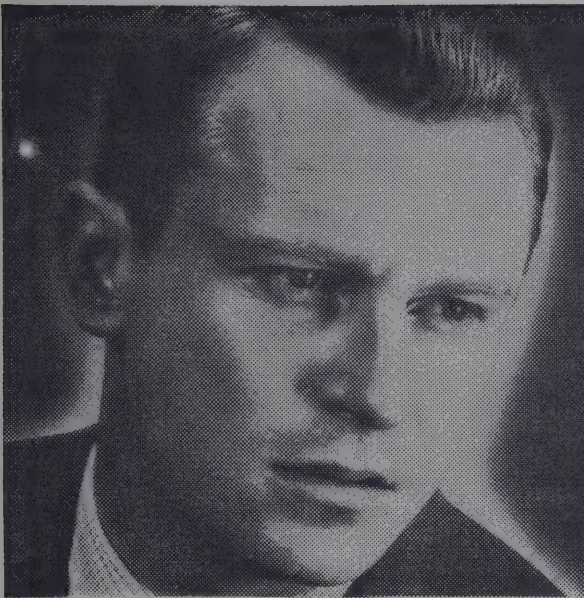

Prior to landing a vocal spot on CBC-TV's 1960 summer replacement show, "While We're Young," Tommy was a member of the "school" set up by CBC production Dave Thomas to give promising young artists coaching in the special techniques used in TV work.

It was during this six-week training period that he met Bonnie Hicks, a vocalist from Prince Albert, Saskatchewan. The two were married in the summer of 1961.

In the fall of 1960, Tommy received an award offered for the best English-speaking male vocalist of the year. The award was presented by Le Gala du Music Hall Canadien, an organization which annually presents awards to variety artists and programs seen in French Canada.

Although he has turned to popular singing, Tommy says he will still gladly sing at religious gatherings — on request. In coming weeks, he hopes to introduce a little gospel singing into his show on CBC. HIT PARADER salutes another great talent from our neighbor of the north, Canada!

How Long Since You've Had a REAL Raise?

Are you just marking time in your job while others move ahead? Here's what you can do about it.

A man may work for years at his job, and still be worth only a clerk's pay. Without special training, those hoped-for raises come in dribbles.

You can command a much bigger salary than you are now earning—with prestige and privileges to go with it—by getting out of the ranks of the untrained. You can become an expert in the kind of work you like—and employers will seek you out. For in today's vastly expanded business activity, there are more key jobs than there are trained men to fill them.

Without interfering with your present work—and by devoting only a little of your spare time—you can qualify rapidly for the career opportunity of your choice through LaSalle home study.

LaSalle has been an acknowledged leader in home education for 53 years. It is the only accredited correspondence University in the country. It has provided training

in business, high school and technical subjects to more than 1,500,000 ambitious men and women.

More than 5,300 Certified Public Accountants today are LaSalle alumni. Each year more Law students enroll with LaSalle than with any other Law School in the country. And LaSalle has earned similar distinctions in all its other departments. Its faculty is college-level and includes some of the country's foremost practicing specialists and instructors. That's why your training is in good, experienced hands . . . why your LaSalle diploma will be respected by every employer.

Mailing the coupon below may be the start of a whole new future for you . . . may be the first step in getting a more important job, higher pay, all of the good things that go with success. Simply check the program in which you are most interested, and we will send you a valuable free booklet describing the opportunities in that field. ★ MY ONE AND ONLY PRAYER

GREENFIELD

SEDAKA

My one and only prayer
Is that someday I'll hear you say
You really care
Each lonely night I ask the stars above
To grant my one and only wish
And send me you to love
I pray with all my might
You'll come to me
And suddenly one magic night
I'll speak your name
And, darling, you'll be there
The answer to my one and only prayer
(Each lonely night . . . stars above . . .)
To grant my one and only wish
And send me you to love.

★ LONESOME NUMBER ONE

DON GIBSON

Ev'ry love I've had, has faded like the dew
Ev'ryone I've wanted, has wanted someone new
Heartaches hang around and always come
I surely must be lonesome number one.

Lonesome number one
Just call me lonesome number one
Although no titles have I won
I surely must be lonesome number one.
Seems I'm always losing,
Love just can't come near
Just when love gets close
It always disappears
Sorrow always keeps me on the run
I surely must be lonesome number one.

★ LOVE LAND

PAUL ANKA

I'm gonna find me a plot of ground
That nobody else has ever found
In the middle of the desert or the deep blue sea
It doesn't make any difference to me
It'll be my new found home
A country all of its own
It'll even go down in history
Whoh, whoh, whoh, whoh
I'll build a love land for you and me
A love land for the world to see
No strings attached, no formalities
Won't cost a penny, you can get in free
So pack your heart and hurry up
To see what I'm talkin' about
You better hurry up and get here soon
Before I'm a-all sold out
True, true love and honesty
That's gonna be our policy
We'll be members in the United Nations
Oh, what we'll do to foreign relations
Ev'rybody's goin' to say
Hip, hip, hip, hurray
For lovely, lovely, lovely, love land

★ THE WRONG SIDE OF LOVE

PAUL ANKA

When I was a boy very young
I used to play ball in the gymnasium
Never scored a goal, never won a game
Oh, well, a-bless my soul
It's a crying shame
I'm always on the wrong side
I'm always on the wrong team
I've always got my hands tied
I'm never on the right beam
I guess my fate's
Just to be kicked and shoved
'Cause now I'm on the wrong side of
love

My heart's like a baseball
Gettin' tossed around
One minute it's up
Next minute it's down
I'm just battin' zero
Can't get on base
Keep strikin' out
Well, it's a disgrace
I'm always on the wrong side
I'm always on the wrong team.

★ IT'S OVER

WILLIAM WEATHERSPOON AL KASHA

Well, oh, well, oh, well, oh, well, oh,
well, oh, well, oh, well, oh, well
It's over, oh, it's over
Oh, well, it's over between you and I
Oh, it's no use, no use to grieve
Just pack up your bags and leave
'Cause it's over, can't, can't you see
No use cryin', cryin' your eyes out
You know that I'm tired
I said I'm sick and tired of all of
your lies
Your excuses, your abuses
You have to realize
That it's over between you and I
You were nothin' but a real big faker
You were nothin' but a trouble maker
You caused me nothin' but (uh) stormy
weather
And that's not one thing to keep us
together
All over, all over
You know that it's over between you
and I
Oh, it's over, no use to grieve
Just pack up your bags and leave
Well it's over, oh, can't, can't you see

HANK HUNTER

Your daddy says that I'm a wild guy
'Cause I got you home at quarter to
three
Your daddy says that I'm a wild guy
And you should stop goin' out with me
Oh, no, I'm not a wild guy
I'm just wild about you, whoa
Your daddy waited at your front door
A-when he saw your lipstick was all
a mess
He yelled at me to come around no
more
He's ready to blow his top I guess
Oh, no, I'm not a wild guy
I'm just wild about you, whoa
No, no, no, no, no, no, no, no, no, no
Whoa, no, no, no, whoa, no
I'm not a wild guy
I'm just wild about you, whoa
We left the party at one o'clock
Parked on our favorite block
Ask your sister, ask your mother
Should you treat me like a brother
Your daddy thinks that you're still a
child
But, baby, we know he's not right
So go ahead now, honey, drive me wild
The way you did the other night
Oh, no, I'm not a wild guy
I'm just wild about you.

THE PROMI

*Ann—
Margret*

The guys and gals on these two pages are our nominations for true and lasting success and fame, based solely upon their performances during the past year. See if you'd give them your vote. Ann-Margret, who's been dreaming of show biz all of her life, has really had a banner year for herself. She was chosen for a lead in the movie "State Fair", scored two single record successes, and is about the most beautiful gal singer whose picture has ever been before this tired writer's eyes in a long time! "I Just Don't Understand" and "It Do Me So Good", as well as a terrific album, have convinced RCA-Victor that they didn't just sign a good-looking actress-singer. She can sing, too!!!

*Aretha
Franklin*

This gal really wiggled us with her first record; then nothing clicked for her 'til COLUMBIA released her swingin' version of "Rock-A-Bye Your Baby (With A Dixie Melody)" late last year. Based upon the tremendous response and the demand for more of this young artist's soulful singing, COLUMBIA got an album out "quick-time", called "Aretha". On it she does her first hit song, "Today, I Sing The Blues", plus a whole mess o' good tunes, including "Are You Sure" (from the Broadway triumph "The Unsinkable Molly Brown") and some great blues and gospel slanted material. The incomparable Ray Bryant provides accompaniment and Aretha even puts her own piano to good use on some of the tunes. So pick up some sounds sure to groove you.

The wondrous sight of a hundred upturned heads at the local hangout greeted our playing on the jukebox of an unusual recording called "Hurt" a few months ago. The record, although already Timi Yuro's first established hit, is not the kind that you can hear once and then forget. The gal has a distinct "sound", to use an over-worked phrase. Her follow-up, amazingly, was "I Apologize", the other side which took over where "Hurt" left off. Then came "Smile" and others, from the gal with the tear in her voice. In our opinion, here is the biggest talent discovery of '61, a singer whose sound isn't just a repetition of someone else's, a gal who is destined to go on and on in show-biz!!!

*Timi
Yuro*

The pretty gal who's prettily using Mr. Bell's wonderful invention, Linda Scott, has gotten people at CANADIAN-AMERICAN Records so enthusiastic over the public response that indeed, if she surpasses her '61 success this year, it'll be no small accomplishment! From out of comparative obscurity, she's had hits galore in the past year, the most notable of these being, "Starlight, Starbright," "Don't Bet Money Honey," "I've Told Every Little Star;" and her first album was a smasheroo entitled "Starlight, Starbright." This wonderful album showcases Linda doing tunes in different tempos; tunes which all include "stars" in their titles. She's one of our female nominations for future greatness.

*Linda
Scott*

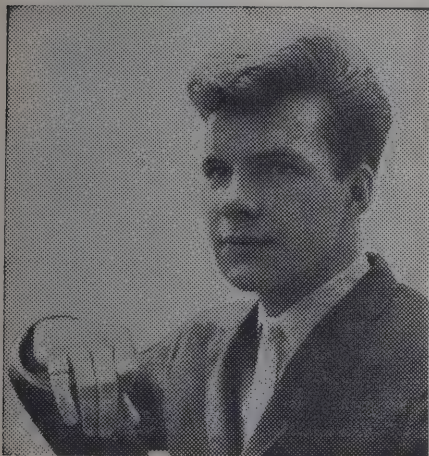

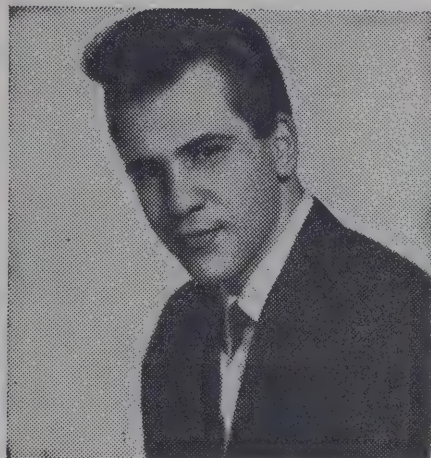

THE STAKES

SE IS BIG!

"He sounds like Elvis!" screamed the teenage girl. "He's groovy", "He's too much"; the reactions to Ral Donner had been bugging us at HIT PARADER no end the last few months. So we got us on the phone, talked to Mr. Goldner down at GONE Records, and within a matter of hours (48), had some pix and records, read the bio, dug the pix (our secretary dug them especially) and ya wanna know our reaction? Quotes: "He sounds like Elvis," "He's groovy," "He's too much," and a few more, too! Seriously, this young man has got the makings of a great star! Watch out for him. You dug his sides, "You Don't Know What You've Got", etc., up to the present "She's Everything", so it's up to you now!

*Ral
Donner*

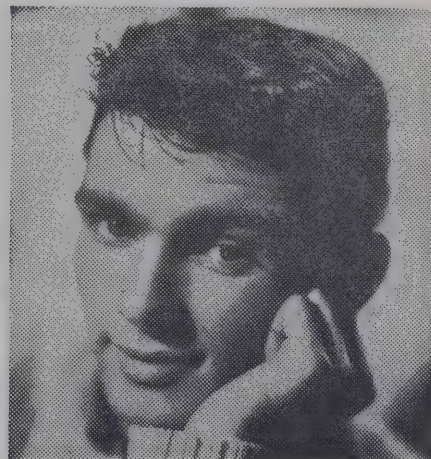

*Bobby
Vee*

THE

This cat had one of the biggest smashes of '61 with his LIBERTY waxing of "Take Good Care Of My Baby", and, judging from your complete, utter roar of approval, Bobby seems destined for the pinnacle of success before too long a time has transpired. This good-looking lad has a solid follow-up smash in his latest side, "Run To Him", and it seems to us that as far as you fans are concerned, this guy can do no wrong. Whatever your thoughts are on any of the stars on these two pages, let us know how you feel about our choices, okay?

Here's a lad we've been digging ever since we first heard him comin' down the pike singin' "I'm Gonna Love My Life Away", Gene Pitney, the MUSICOR singin' sensation, has enjoyed tremendous recognition, reaction, etc., ever since that and "Every Little Breath I Take" appeared on the nation's charts, jukeboxes and dee-jay schedules with astonishing and ever-growing frequency. His last record, "Town Without Pity", which is from the motion picture of the same name, has definitely proven to us, at least, that this talented versatile lad is destined for bigger things in the coming months. What do you think of the preceding eight personalities? Will they make it ???

*Gene
Pitney*

GUYS

*Gene
McDaniels*

A young man who came up from nowhere with "A Hundred Pounds Of Clay" has proven to be one of the most promising newcomers on today's swingin' singin' scene. He's Gene McDaniels, a lad for whom HIT PARADER predicts even bigger things in the months ahead. On the basis of his smash follow-ups of "A Tear" and "Tower Of Strength", we know LIBERTY Records isn't sorry for signing this talented singer. By the way, latch onto his groovy LPs ("Gene McDaniels Sings Movie Memories" is a gas) of which there are three at press time. Those who dig the McDaniels style won't be disappointed by his latest single release, "Chip Chip".

ARE HIGH!

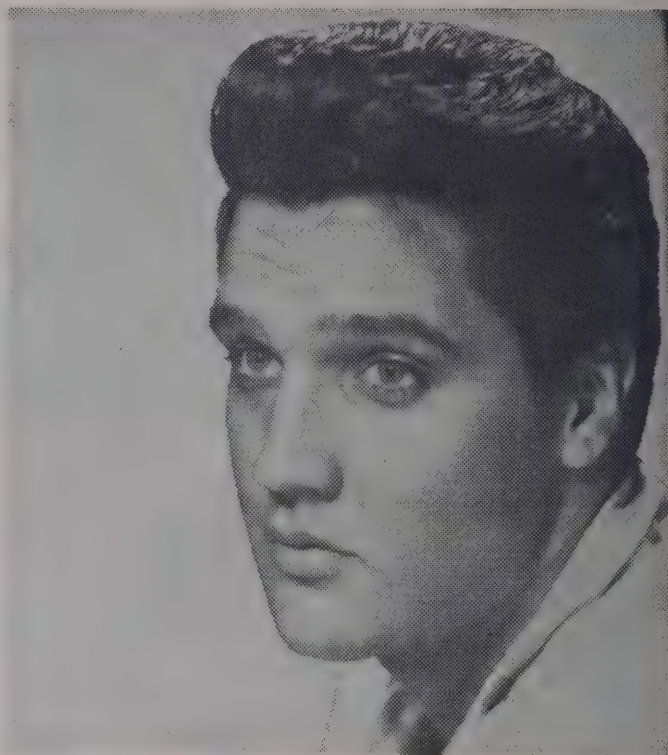

THE COVETED PRIZE:

Elvis Presley

As far as male singers go, no one in recent years has really gone so far so fast as Elvis Presley. So here he is, gals! Judging from box office receipts, he is faring equally well in the flicks as he is on record. "Blue Hawaii", his last movie, was again the inspiration for an album (like "G.I. Blues" was, remember?), and what an album! RCA-VICTOR reported over 600,000 copies of "Blue Hawaii" sold in just eight weeks, which is certainly some sort of new record for records (pardon our pun), don't you think?

Elvis, who began singing while still a truck driver only seven years ago, has certainly surpassed almost everyone's wildest dreams, career-wise, in that short space of time. As a matter of fact, the great length of his reign as king of the pop music scene is indeed a tribute to his talent, personal magic; whatever you want to call it. His manager, Col. Tom Parker, has wisely guided his star to an always greater spot on the horizon, and to him must go a few kudos for being the man of decision at all times. Among those brought into the limelight by way of their association with Mr. Presley himself, are The Jordanaires and Bill Black, who is now making it with his own combo.

His record hits, as you well know, are too numerous to mention here. Secondly, his appeal doesn't seem to have waned with the coming maturity of his first audience, the cats who started the Presley glory story. Adults, as well as teenagers have bought his albums and singles, and he's never had a box-office dud in the movies, either. So we HIT PARADER staffers would like to take our collective hats off to Mr. Elvis Presley! He's still the best yet!!

Connie Francis

In the female vocalist category, the plum has fallen for the past three years to this month's cover gal, Connie Francis! Connie's hit recordings, if listed here, would take up more room than we can spare, so we'll just give you a rundown of the past year or so. "Breakin' In A Brand New Broken Heart", "Everybody's Somebody's Fool", "Many Tears Ago", "Together", "Too Many Rules", "Where The Boys Are", and so on and so forth. Incidentally, Connie has had top 10 hits in foreign countries like Italy: "Help Me To Cry", "Roman Guitar", "Valley Without Tears", "Valentine" (All sung in Italian, naturally!); Ireland, Holland, India, Hong Kong, New Zealand, Chile, Germany, The Philippines, etc., etc. Truly, this is the first internationally acclaimed artist since Elvis Presley who also, as you can see, graces this page. These two performers' careers have truly become the mark which is there to attain, and ample proof that it can be done if you're good enough and give the public what it wants.

The reasons for everyone liking Connie are really very simple. Connie is a star. But more important, Connie likes people and they respond in turn. And she can sing to people in their own language. For while it's said that the international language is music, Connie delivers the words in English, French, German, Italian, Japanese, Portuguese, Spanish, or Yiddish! It's an unbeatable combination! These are a few of the reasons for Connie Francis achieving the personal popularity, awards and record sales that have had no peer in the history of the world-wide record business.

You told me that you and I were

Oh, but I see the light in your window
And I know that you're feelin' blue
My hopes burn bright in your window
'Cause I know you're missing me, too
I stand here alone in the dark
Praying there still is a spark

It's good to have you back with me
The way I prayed that you would be
I've only lived to hold you close once

As I did before
It's good to have you back with me
The saddest day I've ever known
Was when you left me all alone
And if I told you that I've never cried
It would be a lie
It's good to have you back with me
Let's forget we've been apart
Take my hand, we'll make a brand

Forget the hurt that you've been thru
I'm gonna take good care of you

HIT PARADER

SALUTES

A "WHALE" OF A BAND!

Si Zentner has arrived! He's had a hit single, a hit album, and is currently amazing the people who thought that the big band business was dying on its feet. He might be the man who will start the ball rolling again, having demonstrated that a top-flight group of musicians can make something a cut above the average record and still have a good seller in the so-called "Rock and Roll era".

In the short space of two years, the time elapsed since this writer first heard the name Si Zentner with any frequency, he's gotten off the ground on what may be, as we've said before, the re-birth of the big bands. His name was familiar to many people as a sideman in the bands of many of the top swing orchestras a few years ago. He moved to California from New York and did extensive studio work there

for a major studio's orchestra, as well as being the great trombone behind so many top voices.

Si took a big gamble when he decided to organize his band, but, as time has shown, he gambled on the public digging a great sound, and they certainly have! We're looking to "Hollywood Twist" and "Nice 'n' Easy" on LIBERTY RECORDS to surpass "Lazy River". It couldn't happen to a nicer or more deserving musician!

(Editor's note: That "whale" was our ingenious art department's way of showing that they dig the Zentner sound too!! The gentlemen with Si "a la Jonah" in the whale's stomach are, (L) Si Waronker, Chairman of the Board, LIBERTY Records, Si, and an official of the Roosevelt Hotel, where Si recently opened on his triumphant

Would you do me a favor, see my old

She lives across the way
I'll do as much for you someday.
There's no reason why
A love like ours should ever go astray,
I'll do as much for you someday.
I call her but she's never home
And she returns my mail
I tried my best to see her
But all my efforts fail.
Maybe you can have a talk with her
And patch things up okay
I'll do as much for you someday.
Will you let her know I miss her more
Than words can ever say
I'll do as much for you someday.
Tell her not to pay attention
To whatever people say
I'll do as much for you someday.
Somebody told a story
And I think it hurt her pride
If she would only listen

Tell her she's my one and only
And it's always been that way
I'll do as much for you someday.

Multiplication, that's the name of the game

And each generation plays the game
Now, when you see a gentleman bee

Why, count to ten then count again
There's sure to be an even dozen
Multiplication, that's the name of the game

And each generation plays the game
Now, two butterflies cast their eyes
Both in the same direction

Why, you'd never guess
That one little yes could start a

I say one and one is five

Call me a silly goat

But you take two minks and add two

What do you get, one mink coat

After three or four dances

Well, you can bet she'll play hard to

And multiply her chances.

She was voted the teen queen of the
week

Now, she won't even speak to me

Teen queen of the week

Success went to your head

Nominated the starlet of the month

Hasn't got the time of day for me

Starlet of the month

I wish that I was dead

Popularity you've got it

The whole darn world's your balloon

I'll be your flunky, your trained

monkey

While the organ grinder calls the

tune

I'm elected the prize fool of the year

'Cause I'll stay waitin here for you

Teen queen of the week

Till you find a weak spot for me.

★ **COME ON STRONG**

JEFF BARRY

I'm gonna be there in the morning

And believe me you will know

I'm home oh, baby, meet me at the
station

'Cause I just can't wait to get you
alone

Oh, don't you know I missed you the
minute I was gone

The feelin's buildin' up inside of me

I'm gonna come on strong

Long, long were the nights

Blue, blue were the days

Dreamin', I was dreamin' of your
kisses

Oh, why did I ever go away

But I'll come on strong.

★ **SO DEEP**

JACKIE DE SHANNON SHARON SHEELEY

I used to be so happy

Now, I'm sad

You wrecked a good love

And now you're glad

It wasn't very hard for you to do

You wanted back the heart

That loved you true

Now, it's so deep

I can't get deeper

I'm so low

I can't get lower

I'm so blue, so blue

I can't get bluer

It really hurt to find out you lied

I can't believe the pain I feel inside

Guess all along you were laughing at
me

What a shame I couldn't see

Wish I could fool myself and say I'm
fine

Forget the past and get it out of my
mind

Tho' I'm trying just as hard as I can

I can't shake the state I'm in.

★ **ISLAND IN THE SKY**

GARY SHELTON

Up in the heavens, across the sky

There's a place where love in divine

Lovers go there all of the time

It's the island of love in the sky

And someday, if you stay with me

I'll take you there wait and see

Our dreams will come true

All of the time on the island of love in
the sky.

One of these nights I'll hold you tight

And press your lips to mine

Then if your love is really true

Angels will take us away

Way up to the heavens, across the sky

To paradise we will fly

We'll be so happy all of our lives

On the island of love in the sky.

★ **FOR SALE**

EUGENE DRAGOO

Once we were glad, but now we are sad,

And I'll never know why I lost you.

Since our wedding day you've drifted
away;

There's only one thing left to do.

FOR SALE, one ring meant for your
finger.

FOR SALE, my memories that linger.

FOR SALE, our home that stood on
lovers lane

The roses in the back yard would
never seem the same

FOR SALE, one pillow damp from
crying

FOR SALE, one soul that's tired from
trying

You said to me it was never meant
to be,

So goodbye, good luck, FOR SALE.

★ **HOW ARE THINGS IN
LOVER'S LANE**

HARLAN HOWARD

How can you be so happy

While my heart's filled with pain

I've been wond'ring since I lost you

How are things in lover's lane

Do you ever think about me

Or has ev'rything changed

Seems you're doing fine without me

How are things in lover's lane

Do you tell him the same sweet words

That you whispered to me

Are the stars and the moon as bright

As they used to be

I could go there with someone

But it wouldn't be the same

Darling, that is why I ask you

How are things in lover's lane.

the amazing BURL IVES

Wow! We looked twice when we saw Burl Ives' "Little Bitty Tear" on the pop charts that day in December, and the warmth we felt stilled the feeling remaining inside from the cold December air. It certainly is a wonderful feeling to see an achievement like that, especially when it's a person whose work in all phases of showbusiness has been admired and respected through the years. We watched as the record went higher and higher, and in January it made the top ten, which is an amazing feat in itself, as most of the top ten is dominated by Rock and Roll.

Burl Ives has been called "America's Mightiest Ballad Singer" by no less a personage than Mr. Carl Sandburg, who besides being an outstanding American poet, is an authority on

American history, or "Americana", as it were. He (Burl Ives) is also an expert on the type of music he does best, folk music. He's probably done more than anyone to help folk music gain the acceptance it today enjoys, The Kingston Trio notwithstanding. Burl was possibly the first commercially successful folk singer in recent times, and has, as most movie fans know, gone on to even greater heights as an actor without peer. Anyone who has seen "Cat On A Hot Tin Roof" or any of his other recent pictures can attest to that. His Academy Award for "Cat" could have gone to no one else that year. One couldn't envision anyone else playing "Big Daddy" the way Burl did.

Burl was born Burl Icle Ivanhoe Ives (even his name has historical con-

two careers are better than one!

notations!) in the heart off the Illinois folk-song country, the son of such as farmers, preachers and river-boat gamblers. It was this wealth of colorful people and surroundings that gave Burl Ives his completely honest approach to music, as he had already experienced, or was close to, many of the things he wrote and sang about. Burl, by the way, has written books on folk music and its origins, and was known a few years ago as "The Wayfaring Stranger". Earlier, he left his junior year in college to wander around the country as a troubador, with a banjo under his arm. Indeed, the trait has never left him; a few years ago, he was living on a houseboat anchored in New York harbor!

Burl's first motion picture as a fea-

tured star was called "Smoky", one of the biggest movies of that time. He has gone on to be one of the most sought after character actors on the Hollywood scene today. By character actors, we mean people who play people, not merely good-looking actors who play themselves. (Figure that one out!!)

Through motion pictures, books, Broadway Theatre and music, Burl Ives has become almost a legendary symbol of things American; of things dear to every heart. We would close with his own words: "I have no real message to give to the people. I would just like them to share my belief that folk-songs are an all-important part of America's cultural heritage and of its living culture today."

★ SHE'S EVERYTHING (I Wanted You To Be)

DOUG LOPHAM CHESLY HOWARD
If only you would have kissed me
The way that she kissed me
And if only you would have loved me
The way that she loves me
But you didn't, now she's with me
Oh, yes, darling; she's everything
I wanted you to be
And it's not that I love her so much more

It's just she gave the love
I've been longing for
The love I wanted from you, oh, from you

Oh, if only you would have wanted me
The way she says she wants me
And if only you said you needed me
But you didn't say a word to me
The way she says she needs me
Oh, yes, darling,
She's everything I wanted you to be
She's everything I wanted you to be.

★ ANOTHER TEAR FALLS

HAL DAVID BURT F. BACHARACH
Now and then I see you passing by
And for a while I don't begin to cry
But just when I think I'm all cried out

Another tear falls, another tear falls
And then I know you are still in my heart

You are still here in my broken heart.

Ev'ry time I go with someone new
I tell myself I've gotten over you
But just when I think I'm all cried out

Another tear falls, another tear falls
And then I know that my love will never die

My love for you will never, never die.

★ I'LL WAIT

FRED EBB PAUL KLEIN
I'll wait till the end of all time if
I need be

I'll wait for the day when you say
you need me

Each moment you're gone

My love will live on, I'll wait

I know how it is

That you can't be free now

I know deep inside that it can't be me now

But while we're apart

You know in your heart, I'll wait

Other lips may be ready to kiss you

Other arms may hold you tenderly

But until the day you see the way

And hurry back to me

I'll wait all alone

And I won't regret it

My heart will be free

Till you come and get it

What more can I do?

I love only you, I'll wait.

★ DEAR GESU BAMBINO

PIERO SOFFICI
Dear Gesu bambino

I know that you are very kind

I wish that you would try

To leave your home up in the sky

And visit with me, come and visit with me

I haven't even a single toy

Daddy is not at work today

But I'm a good and honest boy

So won't you come down and play

And tho' I don't have a single thing

We can still laugh and we can sing

So I will wait each day for you

Come, Gesu bambino, please do.

★ PLAY IT AGAIN

HOWARD GREENFIELD GERRY GOFFIN
CAROLE KING

Dear Mr. Deejay, play it, play it again

I want my baby to remember when

We danced to the jukebox

When the lights were low

'Till they played "Goodnight,

Sweetheart"

Well, it's time to go

Dear Mr. Deejay, he's gone, gone away

I want him to hear the songs of

yesterday

Make him remember how he loved me

then

Please, Mr. Deejay, play it again

"A Thousands Stars" in the sky

Were shining up above

While we stood below "Pledging Our

Love"

"I've been so lonely, lonely and blue"

So, Mr. Deejay, it's all up to you

Play all the goldies from the old top

ten

Oh, please, Mr. Deejay, play it again

"We Go Together", play it again

"Sincerely", play it again

"You're A 1,000 Miles Away", play it

again

"Over The Mountain", play it again

★ BIG BULLY BLUES

JEFF BARRY

You know, I once had a girlfriend

Suzie was her name

Then along come a big guy named

Harvey

And he stole her away from me.

I'm just a little kid

With the big bully blues

I'm just a little kid

With the big bully blues.

And you know what else,

I had a bicycle

It was another color and green

I let Harvey have a ride on it

And that was the last

I ever seen of it

He broke my yo-yo

And he stole my baseball mitt

He stuck gum in my ear

And he punched me on the arm

He even put chalk on my back

You know, I think my father's afraid

of him

I thought when I grew up

I'd be a fireman

But now I got something better instead

I'm gonna be a nine foot tall giant

And I'm gonna jump on Harvey's head

And I'm gonna take back my bicycle

And my girlfriend Suzie, too

And until them

I'm just a little kid

With the big bully blues

I'm just a little kid

With the big bully blues.

INTRODUCING ANTHONY HALL !

NEWCOMER'S CORNER

Our star attraction in the newcomer category this time is a very talented and handsome young man named Anthony Hall. Tony (whose real name is Sal Ponti) is a native Philadelphian, just about the first one we've come across who went all the way through high school (parochial) and college (St. Joseph's) before becoming active in his show-biz career. But what he lacks in longevity, Tony makes up in full measure with his show-biz accomplishments to date.

He has written many published songs, including the first one he ever recorded, "I'm In Love". Another of Tony's other musical accomplishments include the song "What Little Girl", a big hit for Frankie Avalon.

Anthony Hall is the kind of fellow who knows what he wants out of life and his chosen profession(s), and makes no bones about it. He is one of the hardest-working young singer-actor-writers we've come across in a long time, and it seems certain that he'll go on to reach greater heights on that

long success road.

Some of the peaks on that high road are worth mentioning here. After graduation from college, Tony served in the Army, picking up experience in special service work, entertaining his buddies. After coming home, Tony resumed studies in New York, where he also managed a girl vocal trio. He decided he'd rather go into the thing (show-biz) himself, and left soon after for Hollywood, where, after many struggle-filled months, he got a part in a "Hawaiian Eye" episode. As a result of the enthusiastic fan letter response (don't kid yourself, reader; fan mail does mean something in Hollywood) Tony was soon seen on such shows as "Wyatt Earp", "Alfred Hitchcock Presents", "Alcoa Theatre", "Sea Hunt", and many others. He also had a small movie part in the flick, "Ice Palace", which was based on Edna Ferber's great novel. (She wrote "Giant", remember?)

The Anthony Hall name seems destined to grow . . . and . . . grow . . . and GROW!

★ LOVE THEME FROM "EL CID"

PAUL FRANCIS WEBSTER

A bell rings in the hush of the evening,
A rose petal falls on the gray castle
walls, somewhere in Spain.

My heart sings, oh, my darling, I need
you.

A falcon in love can be tamed by a
dove, only in Spain.

My heart was cold, cold as the snow,
But when you came, a flame started
to grow.

So, be mine, love, and like warm
winter wine, love,

When magic takes wings and the glory
of kings has flown,

Your love will be my very own.

★ I TOLD THE BROOK

MARTY ROBBINS

I told the brook that runs down from
the valley

A secret my best friend never knew
The brook told the trees and the trees
told the breeze

That I was in love with you
The trees told the clouds hiding there
by the hilltop

The clouds told the moon that shone
above

So angry, yet blue, when they found
out

That you and your heart had another
love

The brook became angry and changed
to a river

Rising so madly along

The soft summer breeze that played
tag with the trees

Became so wild and so strong

The bashful white flowers hiding there
by the hilltop

Grew dark and the rain came pouring
down

Their hearts couldn't hide all the tears
that were cried

And it covered up all the ground

The storm has gone, over there's
sunshine again

The chains that held me now are gone

The trees wave hello as I stand here
below

And the brook sings the sweetest song

The bashful white clouds are again by
the hilltop

The sun and the moon are still my
friends

I promise there'll be no more heartaches
for me

Till I fall in love again.

★ SETTLE ME DOWN

LOU STALLMAN

SID JACOBSON

I know I'm wild, I guess I do

Act like a child in front of you

But you can settle me down

Settle me down, settle me down near
you

Crash all the parties, keep cuttin' to
school

I know which smarties drivin' like a
fool

But you can settle me down

Settle me down, settle me down near
you

If (if) you(you) could (could) love
(love)

Love me deep and tenderly

If (if) I'm (I'm) sure (sure) you (you)

Won't be recognizing me

I'd be a new man, won't forget my
prayers

Learn to be human with love to last

But you can settle me down

Settle me down, settle me down near
you.

★ I KNOW

BARBARA GEORGE
I know you don't love me no more
No more, no, no more
And I don't want to be hurted
Anymore, anymore
Yea, yea, I've loved so hard
Everything I did was no joy
If I can't love you right, baby
I don't have to love you at all.

I know you don't want me
No more, no more
And it had to be someone loving you
more

Ain't no use in me crying, now
All because you have put me down
If you don't want me no more, baby
Ain't no use in your hangin' 'round.

CHAS. KOPPLEMAN DON RUBEN
JACK KELLER

There was a time when our love
conquered all
But there's been such a change
She seems diff'rent when I call
My baby's a stranger now
A complete stranger now
I'm so afraid, so afraid
Our love's in danger now
By baby's a stranger

There was a time when we walked
side by side
Now we're drifting apart
And there's tears that must be cried
Is it another guy?
I've gotta know the reason why
She doesn't act the same
Oh, tell me, am I to blame
My baby's a stranger.

★ WALK ON BY

KENDALL HAYES
If I see you tomorrow on some street in town
Pardon me if I don't say "hello"
I belong to another
It wouldn't look so good
To know someone I'm not supposed to know.

Just walk on by
Wait on the corner
I love you
But we're strangers when we meet
Just walk on by
Wait on the corner
I love you
But we're strangers when we meet.
In a dimly lit corner
In a place outside of town
Tonight we'll try to say goodbye again
But I know it's not over
I'll call tomorrow night
I can't let you go so why pretend.

Waitin' for Charlie to come home
And bring me all the love I need
Waitin' for Charlie to come home
And bring me his lips, his wild hungry arms
An all of the love I need
I said a lot of things to him
I didn't mean to say
Instead of holdin' him close to me
I drove him far away
Here am I the fool
Who let happiness walk out the door
And I don't really believe that he
Wants to come back to me anymore.

★ SHE'S GOT YOU

HANK COCHRAN
I've got your picture that you gave to me
And it's signed with love
Just like it used to be
The only thing diff'rent
The only thing new
I've got your picture, she's got you.

I've got the records
That we used to share
And they still sound the same
As when you were here
The only thing diff'rent
The only thing new
I've got the records, she's got you.

I've got your memory or has it got me
I really don't know
But I know it won't let me be
I've got your class ring
That proved you'd care
And it still looks the same
As when you gave it, dear
The only thing diff'rent
The only thing new
I've got these little things
She's got you.

★ WHEN I'VE LEARNED

B. KILLEN R. BAKER
D. WHITSON
I've met the Master on my knees
Been tested, yes, and tried
I've seen the God of heaven
Paint the fields and country side
I've been the husband of one wife
Heard my new born baby cry
But when I've learned enough to really live
I'll be old enough to die
Old enough to die.

I'm just a plain, hard working man
No stopping place have I found
Although I'm tired, I'm still inspired
At night when I lie down
I've learned to like it on God's earth
And yet I wonder why
But when I've learned enough to really live
I'll be old enough to die
Old enough to die.

★ TEARS BROKE OUT ON ME

HANK COCHRAN
Now I haven't been well in the last few days
Not since my baby up and walked away
Packed her things and just said so long
Said "I won't be back this time I'm gone"
And that's when the tears broke out one me
I came down with the miseries
A fever of blues about a hundred and three
And that's when the tears broke out on me.
I never was sick up till then
But I've got a feeling this will do me in
'Cause every time I think about the things she said
I get real sick and I have to go to bed.
And that's when the tears break out one me
Then I come down with the miseries
A fever of blues about a hundred and three
And that's when the tears break out on me.
They say I'll live, well I hope so
'Cause right about now I don't know
I see her face, I hear her name from a friend
And it starts all over again.

"It's easy," says Don Bolander...

"and you don't have to go back to school!"

How to Speak and Write Like a College Graduate

Do you avoid the use of certain words even though you know perfectly well what they mean? Have you ever been embarrassed in front of friends or the people you work with, because you pronounced a word incorrectly? Are you sometimes unsure of yourself in a conversation with new acquaintances? Do you have difficulty writing a good letter or putting your true thoughts down on paper?

"If so, then you're a victim of *crippled English*," says Don Bolander, Director of Career Institute. "Crippled English is a handicap suffered by countless numbers of intelligent, adult men and women. Quite often they are held back in their jobs and their social lives because of their English. And yet, for one reason or another, it is impossible for these people to go back to school."

Is there any way, without going back to school, to overcome this handicap? Don Bolander says, "Yes!" With degrees from the University of Chicago and Northwestern University, Bolander is an authority on adult education. During the past eight years he has helped thousands of men and women stop making mistakes in English, increase their vocabularies, improve their writing, and become interesting conversationalists *right in their own homes*.

BOLANDER TELLS HOW IT CAN BE DONE

During a recent interview, Bolander said, "You don't have to go back to school in order to speak and write like a college graduate. You can gain the ability quickly and easily in the privacy of your own home through the Career Institute Method." In his answers to the following questions, Bolander tells how it can be done.

Question What is so important about a person's ability to speak and write?

Answer People judge you by the way you speak and write. Poor English weakens your self-confidence — handicaps you in your dealings with other people. Good English is absolutely necessary for getting ahead in business and social life.

You can't express your ideas fully or reveal your true personality without a sure command of good English.

Question What do you mean by a "command of English"?

Answer A command of English means you can express yourself clearly and easily without fear of embarrassment or making mistakes. It means you can write well, carry on a good conversation — also read rapidly and remember what you read. Good English can help you throw off self-doubts that may be holding you back.

Question But isn't it necessary for a person to go to school in order to gain a command of good English?

Answer No, not any more. You can gain the ability to speak and write like a college graduate right in your own home — in only a few minutes each day.

Question Is this something new?

Answer Career Institute of Chicago has been helping people for many years. The Career Institute Method quickly shows you how to stop making embarrassing mistakes, enlarge your vocabulary, develop your writing ability, discover the "secrets" of interesting conversation.

Question Does it really work?

Answer Yes, beyond question. In my files there are thousands of letters, case histories and testimonials from people who have used the Career Institute Method to achieve amazing success in their business and personal lives.

Question Who are some of these people?

Answer Almost anyone you can think of. The Career Institute Method is used by men and women of all ages. Some have attended college, others high school, and others only grade school. The method is used by business men and women, typists and secretaries, teachers, industrial workers, clerks, ministers and public speakers, housewives, sales people, accountants, foremen, writers, foreign-born citizens, government and military personnel, retired people, and many others.

Question How long does it take for a person to gain the ability to speak and write like a college graduate, using the Career Institute Method?

Answer In some cases people take only a few weeks to gain a command of good English. Others take longer. It is up to you to set your own pace. In as little time as 15 minutes a day, you will see quick results.

Question How may a person find out more about the Career Institute Method?

Answer I will gladly mail a free 32-page booklet to anyone who is interested.

stage. But, as we found out, each is an individual with her own likes and dislikes.

The girls are all interested in art, but their tastes start to separate there. Albeth, 21, likes Latin music, digs Eyedie Gorme and Johnny Mathis, reads Somerset Maugham, Hemingway and Phillip Wylie. She goes for water skiing and, because of her tact, is spokesman for the group (also organizer and peacemaker, settling the minor controversies which are bound to arise between three gals!)

Sherrell, 20, is the athletic one in the group, loves all sports, plays great tennis. She will listen to any type of music from semi-classics on up, and her favorite vocalists are Sarah Vaughn, Ella Fitzgerald and Dakota Staton. She also goes for Somerset Maugham.

Priscilla, the "youngster" of the group at eighteen, digs all type of music, especially Rock and Roll! Vocalists getting her rating include Ray Peterson and Johnny Mathis! An avid bowler, she rides horseback and loves water skiing. She reads mostly science-fiction.

Producer Gene Mann called the play when he said, "These girls are the most important singing group to come along in twenty years. They are bright, they have charm, and even at their age, display a remarkable command of the tools of their profession. Their talents are unlimited," with which HIT PARADER agrees wholeheartedly!

puts MAGIC in Your Life

Win exciting new FRIENDS... Be invited to all the GOOD TIMES... Feel the self-confidence of a magnetic new PERSONALITY!

Choose your favorite instrument now, and ...

Play Music Right Away

THRILLING THINGS HAPPEN when you let the "magic" of music come into your life. Family, close friends, new friends by the dozen, sit up and take notice when they hear you play their favorite tunes. The "gang" just can't seem to get along without YOU at parties and fun-filled get-togethers.

You even surprise yourself with new-found self-confidence... a more sparkling personality... a real sense of "belonging." Suddenly people become interested in you... always phoning... eager to have YOU do things and go places with them.

Choose Your Favorite Instrument

It's as easy as A-B-C! Our tested, proven home-study course has you playing simple tunes — the very first time you try. Just decide now which of these instruments YOU WANT TO PLAY:

Piano	Saxophone	Tenor Banjo
Guitar	Clarinet	Ukulele
Steel Guitar	Trumpet, Cornet	Trombone
Violin	Pipe, Electronic, Reed Organ	Mandolin
Piano Accordion		

No matter which instrument you choose, the famous U.S. School Course shows you how to play songs, hymns, waltzes — real melodies — right from the start.

No Musical Aptitude Or "Talent" Needed

This astonishing music discovery makes it unnecessary for you to have previous music training. Even if you can't read a single note — you start playing familiar little tunes IMMEDIATELY... then quickly move on to the real professional "show-pieces" that everyone loves and begs you to play.

No Tedious "Exercises"... No Tiresome Practicing

You learn fast by playing! Never are you burdened with dreary exercises or long, wearisome "scales." Directions are so easy, and big "show-how" pictures so clear, that you can't go wrong. Your friends will hardly believe their ears.

Set Your Own Pace — No Impatient Teacher!

You learn whenever and wherever it's most convenient... as fast or slow as you like... really enjoying every fascinating minute.

No expensive appointments with a private music instructor. No hard-and-fast lesson periods. You actually are YOUR OWN TEACHER.

Only a FEW PENNIES

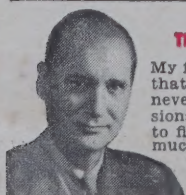

Instead of costly hourly tuition, you pay only a few cents for each lesson (including valuable sheet music you'll keep for years). We can keep the price amazingly low, because we teach so many. ANYONE can afford to learn the U.S. School way.

MORE THAN ONE MILLION PEOPLE HAVE TAKEN UP THIS FAST, SURE WAY TO LEARN MUSIC

CAN'T BE DUPLICATED
"I enjoyed taking your Course for the piano, which could not be duplicated in quality or price from any music teacher."
—Mrs. Joy Barteski
Massapequa, L.I., N. Y.

EASY TO UNDERSTAND
"I can't tell you how pleased I am... the lessons are very simple and clear; easy to understand."
—Mrs. Ruth Robertson
Fort Bragg, N. Carolina

NOW PLAYS FOR FRIENDS
"When I started I didn't know a sharp from a flat, but I now play for my friends; also I play for Sunday School and Church."
—Miss Dorothy McGee
DeValls Bluff, Ark.

THE SCHOOL WITH A 63-YEAR REPUTATION FOR INTEGRITY

My father (who founded the U.S. School in 1898) always said that our most important asset was our reputation. We have never compromised our high musical standards and professional integrity — and we never shall. I cordially invite you to find out for yourself, now, why our course is so easy, so much fun — and so successful.

George K. Kemp President

ASK YOURSELF These Six Important Questions

- 1 Do you ever feel "left out" in a crowd? (Knowing how to play music can make YOU the center of attraction.)
- 2 Are you getting as many invitations as you'd like? (Folks who play music are SOUGHT-AFTER guests.)
- 3 Do you want more out of life? (Knowing how to play is a deep and thrilling satisfaction as long as you live.)
- 4 Do you need "special talent" to play? (NO! So-called "talent" is NOT needed when you learn the U.S. School way.)
- 5 How soon can you be playing? (With your VERY FIRST lesson you actually begin to play simple pieces.)
- 6 HOW CAN YOU GET STARTED? (By mailing the coupon below, RIGHT NOW.)
